Handwritten text in a cursive script, likely a ledger or account book. The text is written on aged, yellowed paper and is partially obscured by a large, circular watermark. The watermark contains the word "BIBLIOTHECA" in a circular arrangement. The text is organized into numbered entries, with the numbers 10, 12, 13, 14, and 15 visible on the left side. The entries appear to be financial or administrative records, possibly related to a library or a collection, given the watermark. The handwriting is dense and somewhat difficult to decipher due to the cursive style and the watermark.
